### Operating Hours

- **Every day starting at 4:40 am, closing from midnight**, varying from station to station (last train time posted near the turnstiles) ■ Transfer between any subway lines and also to CPTM (train service) lines is guaranteed, as long as the passenger gets to the last transfer area until midnight ■ **Transfer to CPTM (train service)** can be made free of charge during the whole operation hours at Brás, Luz, Palmeiras-Barra Funda and Tamanduateí stations. At Tatuapé and Corinthians-Itaquera stations, the transfer is free only from Monday to Friday, from 10 a.m. to 5 p.m. and from 8 p.m. to midnight; on Saturdays, the transfer is free from 12 p.m.; and on Sundays and holidays throughout the operation hours.

### Tickets, Cards and Free Access

- **Avoid queues.** Save time by recharging your cards or buying in advance your tickets for future journeys ■ **Children, before age 6**, travel for free and must be with their guardians throughout the journey. **Adults, at the age of 65**, are entitled to free travel and to have the *Special Single Ticket - Elderly* (Federal Law 10.741/03 - Statute of the Elderly). Disabled and unemployed persons, duly accredited (State Decree 32.144/90) and agents of the Military Police and Metropolitan Civil Guard, when in uniform or by presenting their professional identification card, are also entitled to gratuity. (State Decree 64.844/20) **Please refer to Priority Attendance in this Guide** ■ **Special tickets** for the elderly and unemployed are individual, non-transferable and subject to the supervision and penalties provided for by law. Those tickets are accepted only at specific turnstiles (yellow square sign) and their use requires proof documents ■ **The Central Metro Ticket Office, located next to Marechal Deodoro Station, provides passengers with services to obtain special cards for the unemployed**, in addition to selling single tickets for 100 (one hundred) trips or more, with receipt of purchase. The Metro Central Ticket Office is open Monday to Friday from 9 a.m. to 3 p.m., except holidays and the single days between the holiday and the closest weekend ■ Persons with disabilities and the elderly may obtain a specific card from SPTrans (São Paulo Bus Agency). More information on the website: [www.sptrans.com.br/deficiente](http://www.sptrans.com.br/deficiente) ■ The Special Ticket for the Unemployed is valid for 90 days and is distributed to workers laid off with no fault dismissal, for at least one month and at most six months who have worked for at least six continuous months in last job ■ The Metro Company is not responsible for tickets bought outside the ticket offices of the stations or authorized points of purchase. **Adulterated or counterfeit tickets will be seized** and their holders will be forwarded to the Police Station (Art. 293 of Federal Decree 2.848/40) ■ After the release of the tickets or cards by the turnstile, pass within 20 seconds not to lose the right to travel ■ **Metro offers a variety of cards for the passengers, including fare discounts.** For more details, please refer to our Customer Service (see section in this Guide) and posters available at the stations.

### Lost & Found and other services

**Lost & Found Office:** If you have lost any objects at Metro stations or in trains, please go to the Lost & Found Office at Sé Station or contact us through the Information Center, toll-free call 0800 770 7722 (for details, see Customer Service in this Guide). If you find any object, please contact a Metro employee who will report the incident and forward the object to the office ■ **Shopping Centers (Malls):** Some Metro stations have direct connection to shopping centers, which make it easier to purchase products and services, in a faster and safer way. These facilities bear the name of the stations next to them in order to make their finding easier: Shopping Metrô Santa Cruz, Pátio Metrô São Bento, Shopping Metro Tucuruvi, Shopping Metro Tatuapé, Shopping Metro Boulevard Tatuapé and Shopping Metrô Itaquera.

**Ombudsmanship** ■ You are supposed to contact that service only when other channels have not properly answered your communication. When you contact us, enter the protocol number of the previous call. Phones: (11) 3371-7274 and 3371-7275. From Monday to Friday, from 8:00 a.m. to 4:30 p.m., excluding holidays.

### Priority Attendance

- **Persons with disabilities or reduced mobility, passengers carrying lap children, senior citizens over 60, pregnant women and autistic people have priority attendance** to buy tickets or pass the turnstiles without standing in lines, use the priority seats of trains and stations, in addition to elevators (Federal Laws 10.048/00 and 10.741/03 - *Elderly Statute* and State Law 16.756/18) ■ **Not all passengers entitled to priority attendance have the right to free access** ■ Obese passengers, wheelchair users or pushing baby strollers must go through the gate next to the turnstiles, as long as they have validated the ticket or card at the nearest turnstile ■ **People over 60 can get a specific card for free access by registering** with SPTrans (São Paulo Bus Agency - details on website: [bilhetetunico.sptrans.com.br](http://bilhetetunico.sptrans.com.br)) or EMTU - BOM Card - Metropolitan Bus Ticket (details on website: [cartaobom.net](http://cartaobom.net)). The Metro Central Ticket Office also offers services to obtain these cards. Please refer to *Tickets, Cards and Free Access* in this Guide. With these cards, passengers gain autonomy and practicality.

### Priority Boarding and Accessibility

- **Metro organizes priority boarding at some stations during rush hours** through an operational strategy that involves signaling and directing passengers flow. People with this need must be guided by visual communication on the platform for boarding in the first car of each train. ■ Metro employees guide the correct use of preferred boarding ■ Our Customer Service (please refer to the corresponding section in this Guide) detail stations and times where priority boarding is performed ■ **Subway stations are accessible to people with disabilities or reduced mobility** ■ There are priority elevators and escalators at stations ■ All stations have tactile paving that guide visually impaired passengers to boarding areas on platforms, passing through ticket offices, turnstiles and toilets ■ **Upon request, the person with disability is supported individually by the Metro employees.**

### Forbidden Practices

Based on São Paulo Metro Transport, Traffic and Safety Regulations (Municipal Decree 15.012/78), it is forbidden to:

- **Sell, distribute goods or printed matter and post posters** without prior permission.
- Address passengers to **offer services**.
- **Purchase merchandise from unauthorized sellers.**
- **Ask for alms** or present yourself in conditions that cause disturbance to other passengers.
- **Travel without using a valid ticket or card.**
- **Sit on the floor, steps or walls, or lie on the floor of stations and trains.** This practice poses a risk of accidents and impairs the circulation of people.
- **Carry objects larger than 150x60x30cm (59x24x12 in.)** or that, even within the allowable dimensions, cause disturbance or risk to other passengers, or volumes that cannot be carried by one person. The subway is for passenger transport only. Backpacks should be carried by the hand strap, surfboards should be carried upright and, like bicycles and folding scooters, skateboards and rollerblades should be packed or in a protective cover.
- **Carry explosive, flammable or toxic materials.**
- **Skate, bike, rollerblade, scooter or similar object** using in stations and trains. When transporting and crossing the station, ramps or crosswalks, all these objects must be carried on foot. Parking outside the bike attaching posts or abandoning own or rented bicycles and scooters in the areas delimited by the white track at the station access is also prohibited, as this practice obstructs the flow of passengers and brings risks of accidents. Please also refer to *Bicycles and Scooters* sections in this Guide.

**Other laws include:**

- **Smoking** (State Law 13.541/09).
- **Playing musical instruments, listening to radios or using other sound devices** unless by headphones or with prior authorization (Municipal Law 15.937/13).
- **Triggering alarms improperly** (Decree Law 3.688/41, Art. 41 - *Penal Contraventions Act*).
- Make cultural activities and **performances** by street artists, without prior permission, less than 05 meters (06 yd.) away from Metro station entrances and exits as well as inside the stations (Municipal Decree 55.140/14).
- **Throwing trash on the railway or on the floor, damaging, soiling**, writing or drawing on walls, glass, panels or equipment (Decree Law 3.688 / 41, Art. 37).
- **Transporting animals, in violation of current legislation** (State Law 10,784 /01 and 16,930/19). Please refer to *Pets* section in this Guide.
- **Bearing firearms, except duly authorized persons** (Federal Law 10.826/03 of the *Disarmament Statute*).
- **Drinking alcohol** (State Law 10,951/01) or travel while intoxicated, without self-control (Art. 62 of Decree 3688/41 - *Penal Contraventions Act*).
- **Use or carry any type of illicit drug** (Federal Law 11.343/06 - *Drug Law*).
- **Supporters**, on the way to sporting events, **carrying any instrument that may be used to practice violence** (Federal Law 10.671 /03 - *Statute of the Supporter*).

**Passengers who violate these regulations are subject to penalties as provided by law, including loss of travel right.**

### For your Safety

**In case of train evacuation:**

- 1 ■ Never get on the railway;
- 2 ■ Keep calm;
- 3 ■ Follow the instructions of the Metro employees;
- 4 ■ Leave bulky objects behind;
- 5 ■ Walk down the emergency walkway using the handrail;
- 6 ■ Carry children on your lap or by their hands and help people who walk with difficulty.

- **Platforms and Trains:** **Do not cross the yellow track before the train doors are open.** Wait for the other passengers to leave the train before boarding. When the bell rings, do not get on or off the train. Release the train doors to avoid system-wide delays. Be careful not to get caught in the doors or fall into the gap between the train and the platform. The road is electrified and can cause fatal accidents.
- **Escalators and Fixed Stairs:** Do not run in the stations, especially on stairs. Be careful when walking on wet floors. On fixed stairs or escalator, always use the handrail, even with packages or a child on your lap. On escalators, keep your feet away from the baseboard and be careful not to trap clothing, shoelaces or thin heels between the steps. Keep children standing, protected in front of your body. Keep yourself to the right side and leave the left side free for circulation.
- **Using mobile phones requires extra attention to avoid accidents and inconvenience to other passengers, due to possible inattention to the flow of people.**
- **Emergency Situations:** Know the operating instructions in advance of triggering any type of alarm, safety device or emergency equipment. The misuse of these devices is prohibited by law and can have serious consequences for the passengers and the Metro system (Art. 41 of Federal Decree 3.688/41).
- **In case of irregular operation:** Be guided by the signs and obey the sound messages or ask the Metro employees for help; they are trained also in first aid care.
- **In the event of an accident or uneasiness**, formalize with a Metro employee the record of the occurrence before leaving the station. **If feeling ill occurs inside the train, wait for your arrival at the next station. This way, the service will be faster.**
- **Metro stations have Automatic External Defibrillator-AED** to assist in cardiopulmonary arrest and video cameras that record images throughout the operation hours. Images are confidential, protected by law and not available at filming locations (Municipal Law 13.541/03).
